*Milady
stands on tiptoe.*

She is fascinated. Here is a miniature case of daintiest, cleverest idea—just like a treasure out of an exclusive Fifth Avenue jewelry shop. A perfume greets her nostrils—delicate, elusive, enticing. A powder puff—and a Rador Compact (or Rador rouge). Milady's happiness is complete. This is her treasure of beauty.

Both Rador Compact and Rador Rouge come in their individual Rador Vanity Cases, with powder puff. The case is of metal, hand-finished and gilded. Holds sufficient supply to last many months.

Rador Compact is prepared in four shades—blanche, naturelle, rachel, rose. It is a powder of finest texture and exquisite quality. It adheres firmly, blends imperceptibly with the skin. \$1.00 each.

Rador Rouge is prepared in two shades—natural light and natural dark. It also contains the finest, purest ingredients. \$1.00 each.
